Randi Jo Gaylor's family is poorer than dirt. Yet the little girl survives with an optimistic attitude despite imagining a Fear Angel haunts her. Through four decades, she covers up murder and betrayal by others until a threat against her daughter forces her to take an action she never thought herself capable of... killing a man she'd once loved.

Tess Collins is a coal miner's granddaughter raised in the southeastern Kentucky crater-town of Middlesboro. She spent her early years listening to mountain tales of haunted hollows, ghosts, moonshiners and unsolved murders. No doubt they influenced her writing Her novels include: THE LAW OF REVENGE, THE LAW OF THE DEAD, and THE LAW OF BETRAYAL, HELEN OF TROY; and a non-fiction book HOW THEATER MANAGERS MANAGE.
